SPONSORSHIP
OPPORTUNITIES

MARCH 13th & 14th, 2010

Please join us on March 13th & 14th as Brownsville again prepares for the huge, enthusiastic crowds that will come and see generations of vintage warbirds, modern military and experimental aircraft. This year's Air Fiesta will be an awesome presentation of American airpower and its influence on the 21st century!

AIR FIESTA provides a truly unique venue for reminding us of the many ways aviation impacts our lives. Aviation, after all, is part and parcel of our national heritage and identity. It has played a critical role in preserving the freedoms we all enjoy and in developing modern technology we all take for granted. And nothing reminds us of the special place aviation continues to have in our lives like seeing examples of our heritage where they belong – in the air!

Now, it is an expensive challenge to keep our aircraft flying but we know it's worth it. With the proceeds from **AIR FIESTA** the RGV Wing of the CAF has been able to restore and maintain a number of rare and unique vintage aircraft, all in flying condition.

AIR FIESTA is the primary source of operating funds for both aircraft restoration/maintenance efforts and operation of our museum. The show is produced each year completely by volunteers who willingly and generously give of their time and talents. And all monies raised stay right here.

Be a part of preserving a little part of history right here in Brownsville and help us by becoming a sponsor. Whether it is one of our standard packages listed below or a custom tailored marketing plan we can make it happen. Please call David or Chris Hughston today at (956) 542-4387.
